

## **How to Edit a Turnitin Assignment Link**

1. Log in to the Course on Blackboard. In this example, the **Turnitin Assignment Link** we will edit is within **Course Documents**. On the Course Menu, click **Course Documents** to enter this content area.

**Note:** **Course Documents** is the default content area available in all Blackboard courses at Baruch College.

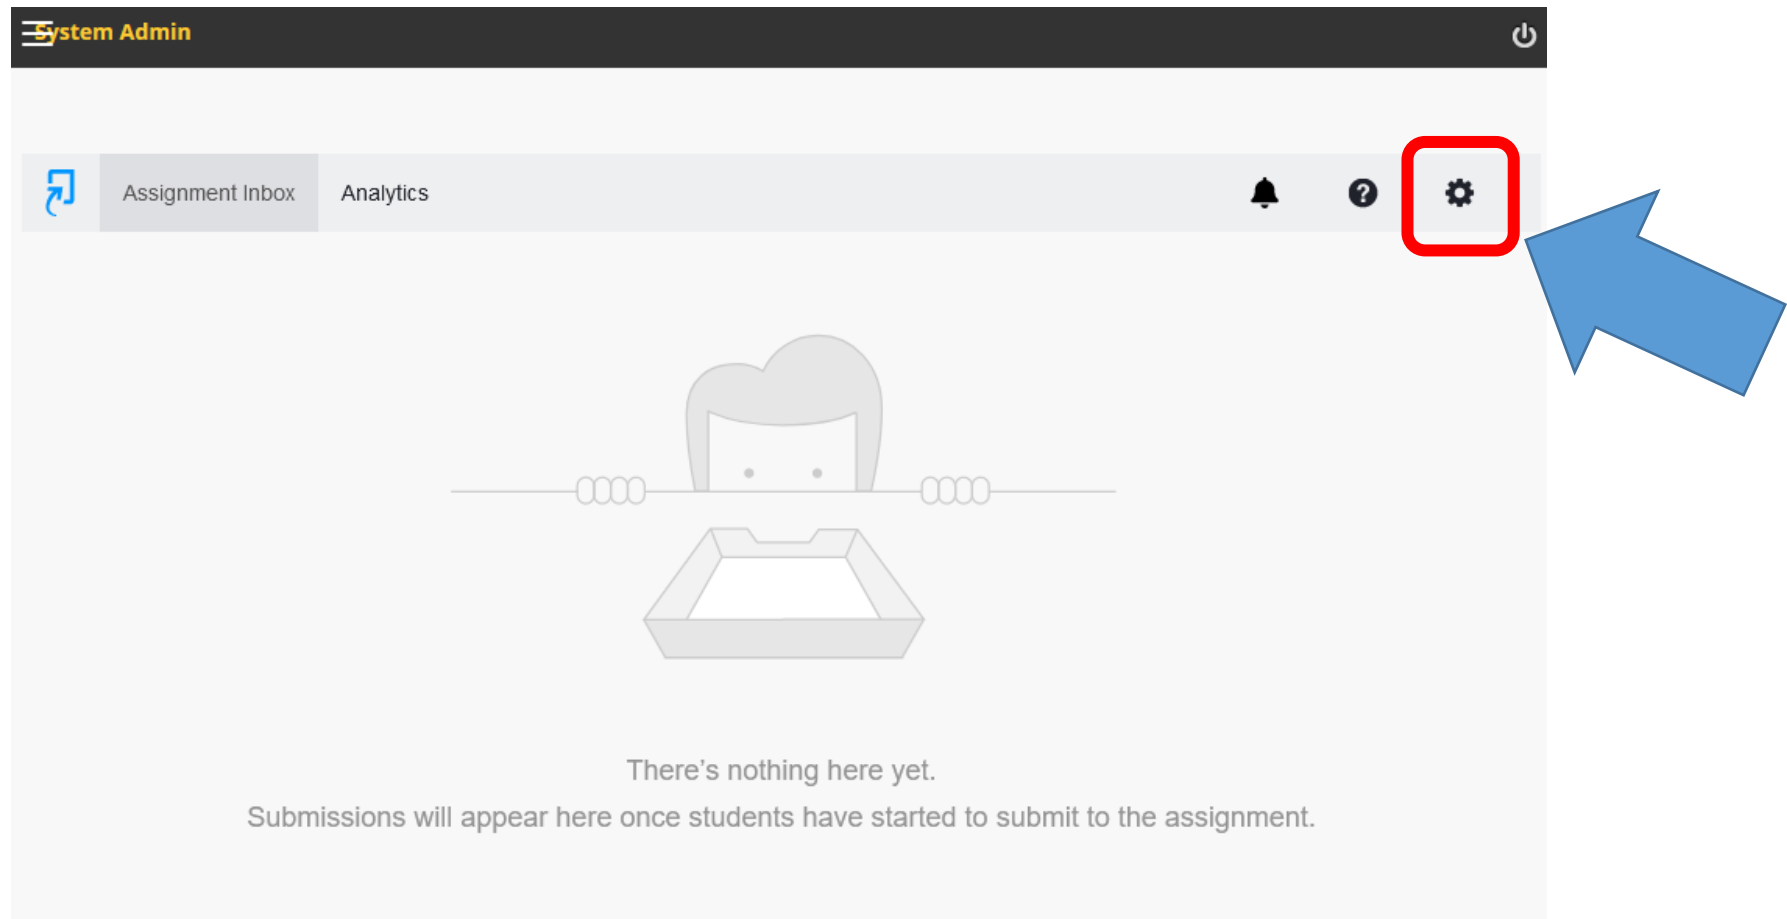

2. Click *the gray arrow next to the title of your assignment link* to show a new menu. On that menu, click **Edit**.

The screenshot displays the Blackboard Course Documents interface. On the left is a navigation sidebar with the following items: Introduction to Blackboard (with a home icon), Home Page, Syllabus, Course Documents, Discussion Board, Groups, Collaborate, Course Tools, and Help. At the bottom of the sidebar is a dark bar labeled "Course Management". The main content area is titled "Course Documents" and contains a horizontal menu with "Build Content", "Assessments", "Tools", and "Partner Content". Below this menu, a document icon is shown next to the title "Homework #1", which is highlighted with a red rectangular box. To the right of the title is a small gray downward-pointing arrow. Below the title, the text "Availability: Item is available, but some students or groups may not have access." and "Enabled: Adaptive Release" is displayed.

3. Click *the cog-symbol* to view more options.

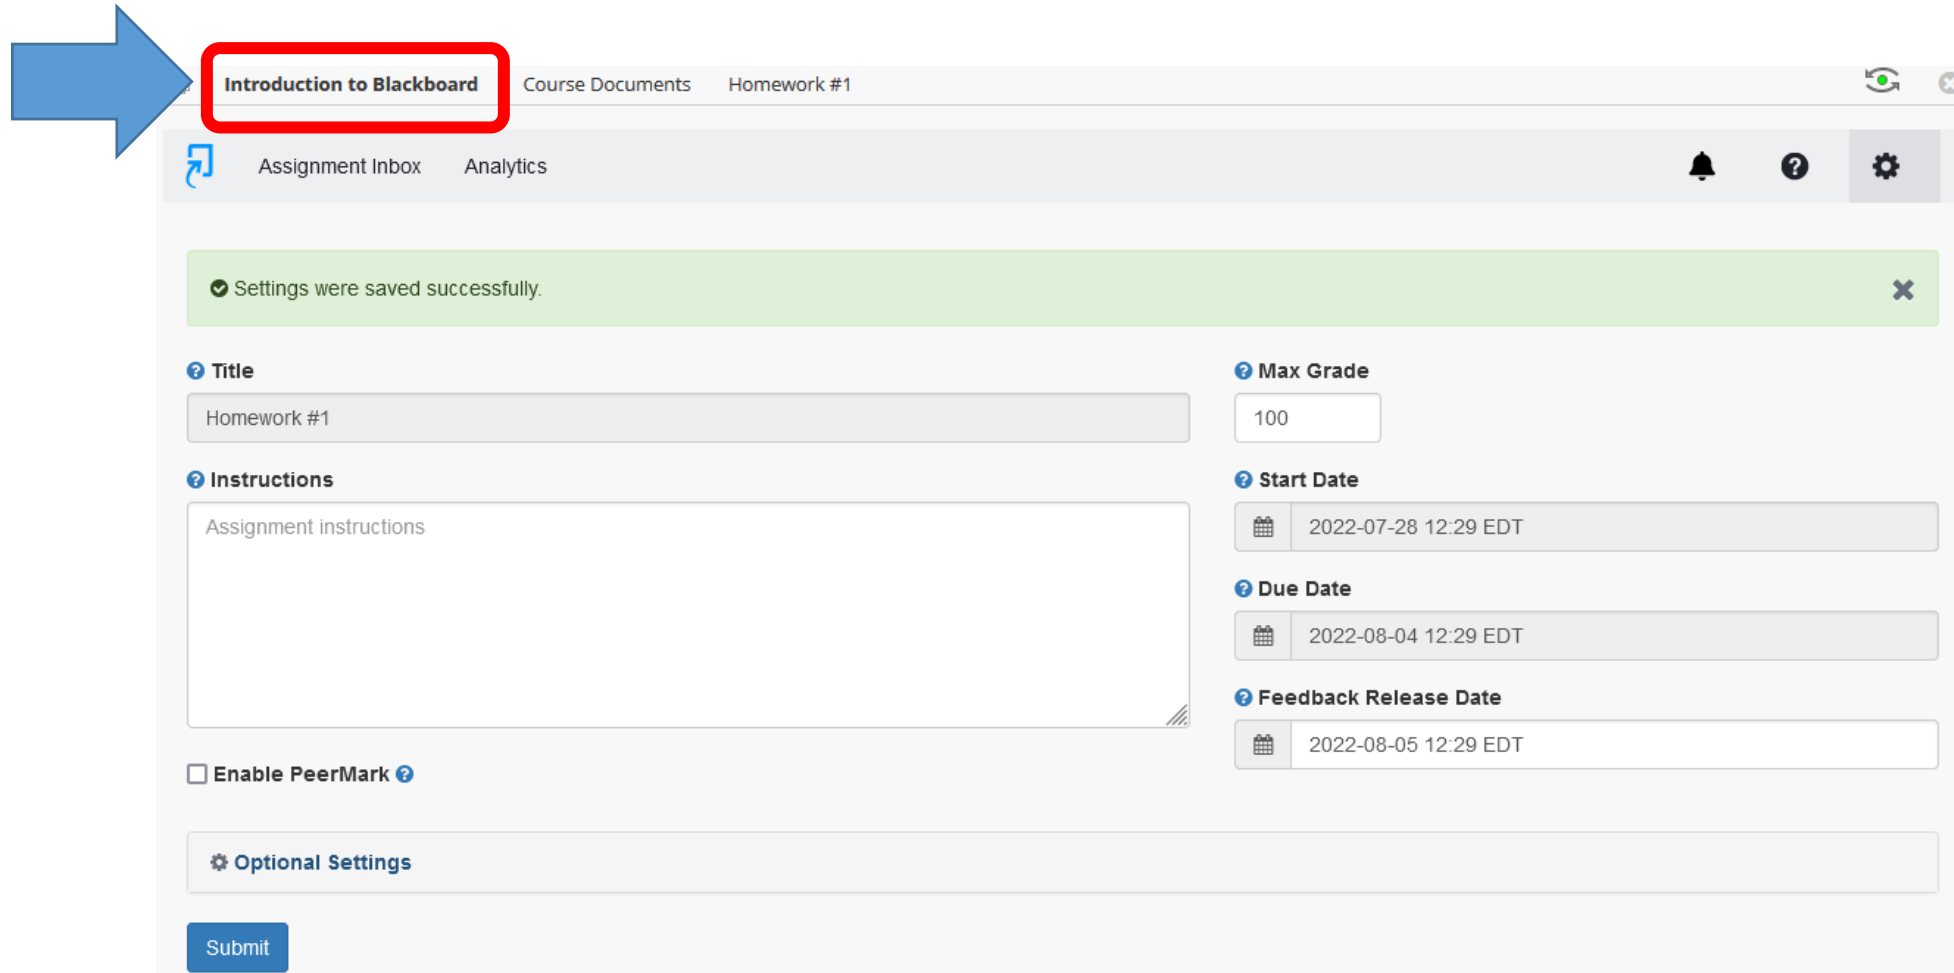

4. You can only edit the fields marked in green below. *If you need to change the Start Date or Due Date, please create a new Turnitin Assignment Link.*

When you are ready to finalize the changes, click **Submit** on the bottom left.

The screenshot shows the Blackboard Turnitin assignment creation interface. The browser title bar reads "Introduction to Blackboard Course Documents Homework #1".
