What is Brightspace?
Brightspace is a cloud-based learning management system (LMS) that runs blended and fully online courses. It was developed by D2L and designed to provide the tools necessary for content creation, assignment submissions, communication, and assessment by combining a collaborative and interactive virtual learning environment.

How to log into Brightspace
You can access Brightspace by entering your CUNYFirst credentials (e.g., FIRST.LASTNAMEXX@login.cuny.edu), including your username and password, on the login page at https://brightspace.cuny.edu.

Need Additional Assistance?
For additional assistance and information on Brightspace, please contact your campus Brightspace support center. For information on your campus, please visit the link below: https://www.cuny.edu/about/administration/offices/cis/core-functions/cuny-blackboard/helpsupport/student/
A. **Mini Bar:** handy tool located at the top of the screen, allows quick access to key features such as notifications, course home, content, discussions, and grades.

B. **My Courses:** Module where you will find a comprehensive list of the courses you are enrolled in.

C. **BrowseAloud:** text-to-speech tool designed to improve accessibility by enabling users, including those with different learning needs, to have course materials read aloud.

D. **Announcements:** your college and CUNY will share important information and reminders under this section.

E. **Work To Do:** centralized area where you can view and manage pending assignments, assessments, and other academic tasks of outstanding work across all enrolled courses.
Getting Started
You can access essential features such as the course content, your user profile, upcoming deadlines, and calendar from the course homepage. Brightspace's intuitive design facilitates seamless navigation, allowing you to effortlessly explore modules. The dashboard is not only informative but also interactive, providing quick links to quizzes, grades, and other vital components of your academic journey.
A. **Navigation Menu:** where you will find the main components such as course content, assessments - assignments, discussions, quizzes or tests, and grades. Note: The navigation bar may vary by instructor.

B. **Visual Table of Contents:** area designated to course content, modules and resources embedded directly onto course homepage.

C. **Single Profile Widget:** area where you can add a summary about yourself.

D. **Work to Do:** section where your upcoming assignment deadlines will appear.

E. **Calendar:** a calendar with upcoming events.

These may be some of the main components visible on your course navigation bar:

- **Content:** centralized repository which contains links to different areas of the course. Content links may not appear if there are no items included.
- **Assignments:** you will find your assignments due within the link.
- **Discussions:** contains the Discussion board.
- **Quizzes:** dedicated section where you can access quizzes, assessments, and exams.
- **Grades:** you can view your grades and feedback from this link.
- **Class Progress:** section where you can track your grades, submissions, and feedback for your course.
- **Groups:** if your instructor set up groups for course work, you can view information about groups here.
- **Classlist:** you can see a list of all students in your class here. You can also use this section to communicate with other students in your class.
- **Virtual Classroom:** a room where you can remotely interact with your instructors in real-time.
- **Video Assignment:** you can create videos and submit them to your instructors within this link.

**Assignment Types**

Your instructors can create assignments in one of four submission types:

- **File submission:** you can upload an assignment file from your computer. Common file types include documents, PDFs, presentations, spreadsheets, and other files depending on the settings your instructor has set.
- **Text submission:** you can directly type your assignment as text or link to your assignment within the text editor.
- **On paper submission:** this option allows you to submit your assignment as a physical copy. Your instructor can provide feedback within your Grades.
- **Observed in person:** your instructor allows you to work on your assignment during in-person lecture. They can provide feedback for the assignment.
